#### Training for Public and Social sectors

##### Please note

- These courses/seminars are short (2 – 4 days) application based training for people who are already at work or want to improve their chances for new or better positions.
- These courses can be tailored to the particular needs of organisations in the Public and Social sectors.
- These courses are not in anyway exhaustive of the training that we offer
- Organisations who may want to work with us can contact us to collaborate with their staff development team to identify specific needs for bespoke training (such training can be organised in the UK or in home country)
- Please visit our website regularly for updates as new training information may be added
- If you require regular updates direct into your email address please [register as a member](mailto:register@scic.co.uk) on our website [www.scic.co.uk](http://www.scic.co.uk)
